### **SEC. 809. AVAILABILITY OF AIRCRAFT ACCIDENT SITE INFORMATION.**

(a) DOMESTIC AIR TRANSPORTATION.—Section 41113(b) is amended—

(1) in paragraph (16) by striking “the air carrier” the third place it appears; and

(2) by adding at the end the following:

“(17)(A) An assurance that, in the case of an accident that results in significant damage to a manmade structure or other property on the ground that is not government-owned, the air carrier will promptly provide notice, in writing, to Notice.

49 USC 329 note.

PUBLIC LAW 108–176—DEC. 12, 2003 117 STAT. 2589

the extent practicable, directly to the owner of the structure or other property about liability for any property damage and means for obtaining compensation.

“(B) At a minimum, the written notice shall advise an owner (i) to contact the insurer of the property as the authoritative source for information about coverage and compensation; (ii) to not rely on unofficial information offered by air carrier representatives about compensation by the air carrier for accident-site property damage; and (iii) to obtain photographic or other detailed evidence of property damage as soon as possible after the accident, consistent with restrictions on access to the accident site.

“(18) An assurance that, in the case of an accident in which the National Transportation Safety Board conducts a public hearing or comparable proceeding at a location greater than 80 miles from the accident site, the air carrier will ensure that the proceeding is made available simultaneously by electronic means at a location open to the public at both the origin city and destination city of the air carrier’s flight if that city is located in the United States.’’.

(b) FOREIGN AIR TRANSPORTATION.—Section 41313(c) is amended by adding at the end the following:

“(17) NOTICE CONCERNING LIABILITY FOR MANMADE STRUCTURES.—

“(A) IN GENERAL.—An assurance that, in the case of an accident that results in significant damage to a manmade structure or other property on the ground that is not government-owned, the foreign air carrier will promptly provide notice, in writing, to the extent practicable, directly to the owner of the structure or other property about liability for any property damage and means for obtaining compensation.

“(B) MINIMUM CONTENTS.—At a minimum, the written notice shall advise an owner (i) to contact the insurer of the property as the authoritative source for information about coverage and compensation; (ii) to not rely on unofficial information offered by foreign air carrier representatives about compensation by the foreign air carrier for accident-site property damage; and (iii) to obtain photographic or other detailed evidence of property damage as soon as possible after the accident, consistent with restrictions on access to the accident site.

“(18) SIMULTANEOUS ELECTRONIC TRANSMISSION OF NTSB HEARING.—An assurance that, in the case of an accident in which the National Transportation Safety Board conducts a public hearing or comparable proceeding at a location greater than 80 miles from the accident site, the foreign air carrier will ensure that the proceeding is made available simultaneously by electronic means at a location open to the public at both the origin city and destination city of the foreign air carrier’s flight if that city is located in the United States.’’.

(c) UPDATE PLANS.—Air carriers and foreign air carriers shall update their plans under sections 41113 and 41313 of title 49, United States Code, respectively, to reflect the amendments made by subsections (a) and (b) of this section not later than 90 days after the date of enactment of this Act.
