

# Motley Rice is proud to support the first Mesothelioma Charity Golf Tournament

## "SEARCHING FOR A CURE"

*Motley Rice attorneys gained national recognition for their pioneering work on behalf of asbestos victims.*

Our attorneys have experience in asbestos litigation and continue to represent victims of occupational and household asbestos exposure who suffer from mesothelioma, lung cancer, asbestosis and other asbestos-related diseases. We work to protect the health of workers and their families and create safer work environments.
