Hi [REDACTED]

I'm in back-to-back calls until 5:30 PT ET. I might be able to jump on a call from 3:15 - 3:30 PM ET, otherwise, it may have to be in the evening.

We'll send a draft ASAP this afternoon.

Completely understand the need for a fully signed agreement. Keep us posted!

Thank you!!

So exciting! [REDACTED] and I are available today from 3 PM Eastern until 4:30 PM Eastern and then probably quite late after the town hall is concluded (7:30 PM Eastern or later, I'm guessing?). [REDACTED] does have two little ones at home as you know, so her evenings understandably can be a bit hectic. But both she and I are very committed to getting all this done, so if you need to speak later in the evening ... we can make it work.

Yes, send us the draft *as soon as* you can. [REDACTED] will shepherd it through the approval layers here and drop in a proposed quote.

[REDACTED] and I are working on the amendment but it still isn't signed. We cannot announce without a signature, so fingers crossed on that element falling into place by tomorrow!

Hi [REDACTED],

Of course things continue to change on our end! We are still keen on announcing the donation to the PTA tomorrow. We are working to get a draft of the blog post to you all this afternoon. I know you have the teachers town hall today, but if you have some time, I'd love to touch base again.

Thank you,

Awesome! Tuesday, May 5 is National Teacher Day (which NEA leads) which is during National Teacher Appreciation Week (which PTA leads). Having a livestream and major campaign activation during that week (and especially on that Tuesday) would be a phenomenal tie-in from our perspective.

We're also prepping for the global Giving Tuesday that's being stood up for May 5, and have a ton of ideas for how all these pieces can come together re: PTA, TikTok, and Teacher Appreciation Week.

Having a little more time to pull all the elements together is a relief. Was worried we were still trying to announce tomorrow. Phew!

Let's talk soon on next steps – we're ready to roll. ☺

Warmly,

Hi [REDACTED],

Thanks again for the call last week, and for the list of follow-up items.

Firstly, the announcement timing has shifted and we will NOT be announcing tomorrow. The earliest would be Wednesday, however, we are re-evaluating our announcement strategy for the Community Relief Fund and may even push it back to next week.

Hi friends,

Happy Monday! I feel like this is going to be a huge week for PTA and TikTok, and my whole team is psyched! So much good is about to happen!

On that note, we have a lot of logistics to tackle, and a lot of unresolved items, questions, and a rather major amendment to get signed. 😊

Here is my “working list” of things that feel time-sensitive today:

- Is it still the plan to put up the newsroom post tomorrow (Tuesday) on TikTok announcing the COVID-19 relief commitments to National PTA, both the [REDACTED] direct to PTA and the matching donation?
