49573	10/27/2021 9:34	Hello, Normally I have a tiktok account named "[Redacted - SCA]" and I would like to know if you could suspend and delete it permanently? Let me explain to you, unfortunately I developed an addiction to this application with the videos that I liked and it causes bad consequences in my daily life. I have already deleted the account several times with the 30 day deadline for permanent deletion as indicated, but due to my addiction I always end up re-downloading the application and reactivating the account. This is causing a lot of harm to me and I would like to know if you could suspend my account so that I can no longer access it? If you do, you are doing me a huge favor ! Regards
