[REDACTED] assigned [REDACTED] [REDACTED] an action item in the following document

Youtube access CrOS: Unicorn + EDU coexistence

If a teacher posts an embedded Youtube video within the class material in Google Classroom. Note that just adding the link within the text or a google Doc won't trigger it, the teacher must embed in a specific way -- see screencapture video.

[REDACTED] I'm trying to repro this, but keep just getting "An error occurred" message within the YT embed player in Classroom. When was the last time you were able to successfully do this?
