Sure thing! @Erin K. Hunter are you or a member of the ESP team able to help pull the below reports down and send Jason copies of Section A?

Thanks!

Hi Jason,

I wanted to make you aware of the below feedback NCMEC received from the West Virginia ICAC concerning Facebook reports:

Report ID	RP ISP	Officer State	Feedback Date	Notes from LEA
133528711	Facebook	WV	2022-09-02	You have sent this person (Suspect) to how many agencies. Why doesn't Facebook ban them?
133525636	Facebook	WV	2022-09-02	More of the same from Facebook. To bad they spend so much at NCMEC nothing is ever said to them.
129331051	Facebook	WV	2022-08-10	IF THERE IS NO SUPPORTING EVIDENCE STOP WASTING MY TIME.....
129175570	Facebook	WV	2022-08-10	Once again no CSAM attached. Stop sending out cases with out evidence. Perhaps if Facebook ever quit financially supporting NCMEC they would be held to higher standard.

129128579	Facebook	WV	2022-08-10	For one thing Facebook sent this in with no CSAM???? Then every IP and telephone number comes back to Mexico except one in WV. Hey lets send it to WV. This should have never been accepted let alone sent out.
126575383	Facebook	WV	2022-07-13	When is NCMEC going to stop accepting these from Facebook. Hate to call out a company who fills the coffers. This is a waste of my time.

Thanks,
Fallon
