Hey, as we push forward on the youth work and age verification one thing that has come back up is age modeling for under 13. I vaguely remember you having a strong point of view on whether or not we should do this, is that right or am I remembering things?

From: me; time: 06/14/2021 14:36:24; timestamp: 1623706584117

I don't remember if I had a strong point of view on that. It seems like an important decision though. I'm curious what others think.

Legal [REDACTED] PRIV
[REDACTED] Stan, Pavni, and I are aligned that we need to do this, but I will get the latest take from the key stakeholders.

From: [REDACTED]@s.whatsapp.net; time: 06/14/2021 14:39:41; timestamp: 1623706781111

It's part of our larger age verification plans
