

Share of New Mexico Middle School Students Who Report Being Bullied Electronically or on School Property (YRRS)

2009–2023

Source: New Mexico Department of Health, 2009–2023 New Mexico Youth Risk & Resiliency Survey ("YRRS") for New Mexico middle schoolers.

Note: This chart shows the share of New Mexico middle school students who responded "Yes" when asked if they had been bullied on school property in the past twelve months and the share of New Mexico middle school students who responded "Yes" when asked if they had been electronically bullied in the last twelve months via the YRRS (Youth Risk and Resiliency Survey) Middle School Survey. The YRRS is administered to New Mexico middle schoolers and the dataset contains survey weights for use in analysis. Responses from respondents for which weights were not provided were dropped.
