Re: Releasing child safety stats pre CSER v2

[Details](#)

To: Mia [REDACTED], Namrata [REDACTED], Emily [REDACTED], Vishwanath [REDACTED] & 6 more

The biggest challenge here is that for the most part no one thinks FB makes people suicidal but people (especially policymakers and law enforcement) do think we create the opportunity for children to be groomed. Until we have really strong mechanisms for preventing inappropriate adult/minor contact, I think we risk generating more negative press than positive – especially when we do very little to keep U13s off our platform.
