>Sharing Google advertising at Westminster tube station - busiest tube station for policy makers/ political journalists in London

Karina Lynn Newton (12/09/2021 08:38:00 PST):
>(Which a member of our policy team just walked by :))

Karina Lynn Newton (12/09/2021 08:39:30 PST):
>Yes, we've been pushing device level age verification solutions since July with Pavni's blog post - along with industry conversations and policy maker conversations. Blog post: https://about.fb.com/news/2021/07/age-verification/

>worth a read and great to see our proposals and products somewhat swaying even our toughest critics: https://www.nytimes.com/2021/12/09/opinion/congress-facebook-teens.html

Elizabeth Crenshaw (12/09/2021 14:19:58 PST):
>for this afternoon - given the recent line of questioning by members of congress and the Tech Transparency Report on this - i'd love to spend a couple of minutes discussing ED content discoverability and where we are with the borderline classifier and safe search.
>
>also, can share a quick update on some XFN work to address ED/pro-ana 'coaches' reaching out via DM to young people, which was raised as a new trend in the TTP report.

Pavani Diwanji (12/09/2021 14:32:09 PST):
>Look forward to connect and debrief this afternoon on takeaways and next step. If there are changes we want to q1/q2 product roadmap. I want to share external convos with 4H and advisory summit idea that few outside folks are floating to us. And anything else?

Pavani Diwanji (12/09/2021 14:32:38 PST):
>I know we have European pressure brewing again. So legal might want to share.

Pavani Diwanji (12/09/2021 14:32:50 PST):
>And child safety next steps

Pavani Diwanji (12/09/2021 14:33:03 PST):
>Lots to talk through :)
