Dear Mr. Zuckerberg:

I write on behalf of the men and women in the Department of Homeland Security who dedicate their professional careers to the fight against online child sexual exploitation and abuse. Their fight – our fight – is one that is undertaken on behalf of children who are vulnerable to the predatory actions of adults around the world. The fight is a noble one, focused primarily on the prevention of harm but all too often, by necessity, focused on the rescue and recovery of the victim and prosecution of the perpetrator.

We are immensely grateful that Meta, under your leadership, has joined us in this fight. Your partnership in our groundbreaking awareness and education campaign, Know2Protect, will save lives. The reach of Meta is extensive and impactful.

Thank you.

Sincerely,

Alejandro N. Mayorkas
Secretary
